

My Family Award with Linda Ciric

1. Sing a song about families.

My recommendation is 'With Jesus in the Family, Happy, Happy Home'. You can sing with me in the video, or click here: <https://www.youtube.com/watch?v=FtI9b2U7WHg>

2. Listen to a story about families.

My recommendation: Read the story of Abraham and Sarah in Genesis 15. Or watch the animated story here: https://www.youtube.com/watch?v=PjXpgYq_NiQ

3. Say three things you've learned about families.

1. Families are made up of those members who are part of our 'immediate family' such as parents and siblings, and those who are part of our 'extended family' such as cousins and relatives.
2. Each family member has a unique personality.
3. We are all a part of God's family.

4. Make a craft about families.

To make your Family Tree, you are going to need to do the following:

1. Print the Tree Template I have for you here:

2. Gather some tubes of acrylic paint and pour out a small dollop on a paper plate. You can use as many different colours as you like.
3. Dip your fingers in the paint and mark your tree. These should look like leaves on the tree.
4. Grab a pen and write out the names of different members of your family next to each leaf.

5. Complete an activity about families.

My recommendation: Play the My Family Memory game I have for you. Click here to download the memory cards:
