

Laundering Honour Worksheet

Name:

Level:

Club:

Conference:

1. Why should we read the labels on a garment before laundering them?

2. With permission from your carer, affix an old garment label to show the washing instructions/symbols.

3. You've just come back from a Spring Pathfinder Club Camp in Thirlmere Lakes. Outline the proper way to prepare your clothes for washing.

4. Fabric softeners make your blankies nice and cuddlie :) What precautions should be taken when using it.

5. If you were to purchase your own washing machine, clothes dryer and iron what would be some points to consider for each item? How would you care for each item once you've purchased?

Washing Machine:

Clothes Dryer:

Iron:

6. What is the best method to launder wooden and wool like garments?

7. Why should stains be removed prior to washing in the machine?

8. List how to remove following stains from a garment:

- a. Ink:

- b. Fruit:

- c. Rust:

- d. Grass:

- e. Grape (fruit):

- f. Grease:
