LETTER OF INTRODUCTION

Pathfinder Leader,

2024 has commenced and the theme for our Youth Department is “Be Full of Good Works” This theme has been drawn from the inspirational verses that speak of Tabitha, a disciple. She was well known in Joppa to be a woman full of good works and acts of charity. She learned from the apostles’ teachings about scripture and Jesus. Her impact was a powerful one in her community.

You’ll notice that our GSC YOUTH DEPT logo has also changed. This logo was done in process with Pr Simon G prior to his departure. Our desire as a Youth Department is that all our Youth (inc. Adventurers, Pathfinders, leaders) draw closer to Christ and His Passion. His passion was to serve and not to be served. Through the months your club will have many opportunities to serve your local Church, community, and even Pathfinder members families. We believe that like Tabitha you’ll be inspired by the disciple’s teachings to serve those around you.

Another exciting announcement is that Pr Dejan Stojkovic will be joining the team as the Greater Sydney Conference Youth Director. He will be leading the bigger team forward in all areas of Youth ministries. We know that he brings many years of youth ministry experience, and our conference will be blessed by that and his desire to serve. Feel free to reach out to him relating all youth department matters as he’ll oversee all areas. I’m sure he’ll also be excited to share the word at your local church service or even club camp out.

As the year unfolds our prayer is that your club will engage in a greater impact for your community, one that will help people to see Jesus through your acts of charity and good works. This year we will be having the GSC Youth Department Service Day. This will be held at two venues to assist both Pathfinders and Adventurers to assemble in an act of good works.

As your club moves forward, we pray that your experience will be one that draws each other closer to Christ and his gospel message will renew you to Good Works as seen in Tabitha.

Pr Moses, Pr Dejan, Pr Eden and Miss Jacinda

PATHFINDER EVENTS

- **FEBRUARY 03 – PATHFINDER OPEN HOUSE**

Pathfinder Open House is an opportunity for Clubs to open their doors to the community to experience Pathfinders. We appreciate that some of the clubs already may do this, however, we would love to have a Sydney-wide Open House night/ Expo every year, that becomes known as a day where Pathfinder Clubs enable community children to learn about Pathfinders and possibly join the local Club.

- **MARCH 02 - 03 – MG, PLA, PSA #1**

This is a leadership event for those who are undertaking Master Guides (MG), Pathfinder Leadership Award (PLA), and the Pathfinder Specialist Award (PSA). This event is a registered event, so keep an eye out for the registration link via email. Due to this year's calendar events, PLA and PSA will be undertaken over 2 events, one in March, and the other in August (August will be a campout). At this event you will receive a Requirement Record Booklet, this is only given out once so please do not lose the booklet.

*Due to scheduling in the year, we highly recommend that newly appointed Club Leaders reach out to the District Director for guidance on Programming and planning of Calendar Events early in the year. This interaction with the DD will greatly assist you as you prepare for the new year of Pathfinders.

- **MARCH 17 – MAP & COMPASS**

This is a training event to help you bring your navigation and orienteering skills up to scratch.

- **APRIL 6 – MASTER GUIDE SDA CHURCH HISTORY WORKSHOP**

MG SDA Church History Workshop is an annual event for your club MG's to attend with other GSC MG's in order to complete part of their requirements. This will cover the History for the SDA Church. Please ensure your MG's arrive on

time to the venue as it is a long afternoon of information and interaction. Registration for this event will be emailed out to Club leaders and Secretaries closer to the event.

- **APRIL 13 - 14 – DRILL MASTER CLASS WORKSHOP**

This two day workshop is great for MG's & all Pathfinder Clubs staff to deepen their knowledge & skills in parade marching, flag raising/lowering ceremonies, and even commencing the drill master Award.

- **APRIL 22 - 28 – BIG CAMP**

This year the Greater Sydney Conference will be hosting its first ever Conference Wide Big Camp at the Jindabyne Adventist Alpine Village. As part of the conference, we'd like to invite all clubs and churches to attend. On the 25th of April all campers who are Pathfinders and Adventurers are encouraged to bring their Parade Uniform to attend the local Jindabyne Dawn Service. We will organise a special patch for those who attend in their parade uniform to celebrate the special and unique occasion. Don't miss out!

- **MAY 26 – PATHFINDER FAIR**

This will be a great opportunity for you to register your club to attend the Pathfinder Fair. This will be an event for your club to showcase their skills in knot tying, camp cooking, marching in your full-dress parade uniform, and variety of other activities that will be memorable.

Once you've registered your club via the rego link, your club will be designate a club site on the day of the event. This site will be for your club to use as a change room or a storeroom for your various materials that you may require during the Fair. You'll also have to register should you like to sell food/crafts during the Fair. This event is a vegetarian only event, so please avoid embarrassment and ensure your club/families adhere to Vegetarian - ONLY food to be sold.

PATHFINDER EVENTS

- **JUNE 15 – SERVICE DAY**

The service day runs every even year. Last year we had the Live Your Best Life- Walk. The Service Day is an opportunity for local clubs to come together with other fellow Adventurer Clubs from their districts to participate in a select Conference Service Activity. This event will require some preparation prior to the June 15th event. More details will be released on how this can be done.

This will be a registered event. Clubs that attend with their members to the Conference Service Event will qualify for the Service Day Patch -2024.

- **AUGUST 24-25 – PATHFINDER LEADERSHIP TRAINING 3**

This Pathfinder Leadership Training weekend is for those who have completed Part 2 of the Pathfinder Leadership Award (PLA), and who wish to undergo Part 3.

- **SEPTEMBER 21– WORLD PATHFINDER DAY**

World Pathfinder Day is an opportunity for your local club to host a Pathfinder Day service during their local church Sabbath Service, or run a special Pathfinder Service during the afternoon hours. The chosen theme for the General Conference is “Jesus Camps with You.” Some clubs have opened this type of event for their club member parents and/or neighbourhood community. Please stay tuned to the following website for suggested resources or ideas as to how to host your own World Pathfinder Day service.

<https://www.gcyouthministries.org/events-and-projects/world-pathfinder-day/>

- **SEPTEMBER 27-29 – PATHFINDER EXPEDITION**

Expedition is a challenging and fun weekend of hiking, orienteering activities, and worship.

INSTRUCTIONS FOR FORMS

PLEASE SEND ALL FORMS & REPORTS TO: jacindaralph@adventist.org.au

Jacinda Ralph is the Administration Assistant for the Youth Department and helps them stay organised.

From an Organisation perspective, forms are really important as they help us get the right contact information from you, so that we can keep you up to date on all events and announcements. They also ensure Pathfinder Clubs are operating in a professional and safe manner. We appreciate your cooperation on this.

Another important thing to note is that some forms have been removed. For example the Public Liability Form is no longer available. If a company or government body requires a certificate from you, you must apply directly to RMS: <https://rms.org.au/forms/request-a-public-liability-certificate/>. Public Liability certificates are only required for insurance purposes. For example if you decided to have a sausage sizzle fundraiser at Bunnings, they may request that you have a Public Liability form.

ACTIVITY NOTIFICATION

GUIDELINES for completion of ADVENTIST OUTDOORS GREATER SYDNEY OUTDOOR ACTIVITY NOTIFICATION

1. This form is to be used for any notifiable activities for the purposes of knowing what clubs / activity leaders are doing what and where, statistics, record keeping, etc.
2. It's use for the future is this; as we develop the system of accrediting and registering all activity leaders, there will need to be a certification and recertification process. One of the requirements of this is logged or recorded experience in the activities. Part of the verification of activity leaders' experience is the Activity Notification Form.
3. Notifiable activities include (but not restricted to) : abseiling, base camping, bushwalking, canoeing, canyoning, caving, challenge ropes courses, cross country skiing, high ropes courses, horse riding, indoor climbing, kayaking, liloing, rock climbing, ropes courses. If unsure, please ring and check.
4. The Outdoor Activity Notification needs to be sent (either faxed or mailed) to the ADVENTIST OUTDOORS Greater Sydney office (details above) to arrive one week prior to the activity. Electronic may be a good option for some. However, if late, please send it in anyway. Better late than never!!
5. Details of the form:
 - **Type of activity:** This is a general description, for example, 2 night campout, and then a list of specific activities to be included, for example, abseiling, canoeing, bushwalking. Each of these activities will need to have a qualified or ADVENTIST OUTDOORS registered leader to carry out the activity.
 - **Today's date:** not the date of the activity / ies, but the date the form is being completed and sent. The date of the activities is found later in the form.
 - **Church Department:** Each activity being conducted for the Church should be "owned" by a Church department, which is ultimately responsible for the activity. It goes without saying, then, that the Church department for which the activity is being conducted should know about the activity and give authority for it. For example, if the activity is being conducted for a school, then the principal should have knowledge of the activity and have given permission for it to go ahead. Name the Church department which will accept responsibility for the activity.
 - **Authority from Church Department / Local School:** The activity approval must be reflected in the minutes of the approving organisation, the local church board. These minutes will also include a list of the staff involved (this will include leaders, assistants, counselors, activity specialists or any approved adult supervisors).
 - **Base/Emergency contact name:** The base/emergency contact is a person who is not on the activity, but who will be available for the whole time of the activity, from leaving the Church car park to return to the Church car park. It should be an adult who is responsible and can maintain calm in the event of an incident. This person is the one who can notify parents, etc if, for example, the group is late due to a flat tyre or something similar. This person would also be in contact with the group / group leader in the event of an incident. The group leader and this person should have a pre-arranged plan of action for an incident, and should have a pre-arranged "late time" for unexpected delays. If this time is exceeded, then the plan is put into place. It might be, if more than three hours past the expected time due back, the local minister is called. Or, if the group or activity or location is high-risk, and still nothing is heard, then the local minister and the base/emergency contact agree on who to call and what to do from there.

ACTIVITY NOTIFICATION

- **Parents or next of kin have Base/ Emergency Contact details:** Just as the Base Contact should have details of each person in the group on the activity, each parent or next of kin should have the Base/Emergency Contact's details, should they have queries about expected arrivals, etc. This is recorded here.
- **Leader's name:** Each activity being undertaken will have one leader who runs the activity, and is ultimately responsible for it. Each activity being undertaken, even if more than one, should have a person recognised or qualified by ADVENTIST OUTDOORS leading it. If more than one activity is being undertaken, and more than one leader is involved; it may be that every activity is lead by a different leader, then you may need to attach more pages with names and details of leaders for each activity.
- **Relevant Qualifications:** This provides knowledge of the experience of the leaders This includes Pathfinder Qualifications, Outdoor Activity Skills certificates, Outdoor person , or they are currently in training for the appropriate qualification.
- **ADVENTIST OUTDOORS Id No:** This should be recorded here, where possible. All persons involved in activities are encouraged to be registered with ADVENTIST OUTDOORS.
- **Location of property:** This should be a specific address, including Grid Reference where possible. Then, in the event that ADVENTIST OUTDOORS or Conference leadership needs to find the activity, it can be done.
- **Date of activity:** This is the date of the overall activity, eg, campout, and also date of other activities if more than one. Attaching an itinerary may be easier, eg, abseiling on Sunday, bushwalking on Saturday afternoon, canoeing Friday afternoon, etc.
- **Details of property:** This aids in our database to indicate how many activities per year are conducted in State Forests, how many in National Parks, how many in Private Property, etc, and may eventually help us to obtain permits when others may have difficulties.
- **Objective of activity:** When any activity is conducted, the purpose and ultimate outcome of the activity should be clearly known. Some alternatives are listed, others may be personal development, outdoor education, family activity, etc.
- **If training, level of training undertaken:** This is to provide for cover whilst our leaders are in training. It also provides a record of training which is being undertaken throughout the Conference. All training needs to be properly notified to ADVENTIST OUTDOORS and recognised.
- **Number of participants:** The total number of participants who are involved in any activity. Then break up into number of adults, and number of children and youth and their ages. This assists, to some extent, in determining the ratios of children to adults involved in activities throughout the Conference, and thus the number of leaders we need to continue to train throughout the Conference.
- **Ownership of equipment:** This assists in determining the equipment in use throughout the Conference, and the amount and types of equipment which may be needed in the future. It may also help in determining insurance needs for equipment in the future.
- **Verification of insurance required by land managers:** This is asked for as some land managers have very strict requirements for the use of land under their care. ADVENTIST OUTDOORS also needs to have some idea of how many times insurance arrangements are being invoked throughout the Conference.
- **Risk Assessment Completed:** This means that you have recognised the possible risks involved in the activity and have planned the activity so that those risks are either removed or reduced in an approved manner. This is why one of the team needs to have completed their revised Pathfinder Leaders Award (PLA) or is qualified in the activity where the method of risk assessment is taught. We have a duty of care to our participants that no one will have a negative experience. Please attach a copy of your Notification.
- **Comments or additional information:** Please let us know anything extra which you may think of value. It may be that some of these may need to be included in new versions of the Outdoor Activity Notification.
- **Please print name and address:** This is the name and address of the person completing the form. It should be, if not one of the leaders of the activity itself, then perhaps one of the leaders of the group, for example, the Pathfinder Club secretary. It should, however, be someone with a thorough knowledge of the activity and the arrangements for it, and the authority to complete

ACTIVITY NOTIFICATION

it. If any arrangements are unclear, it may be that the person completing the form will be called to clarify the information.

- **2nd Page:** This must be filled out and given to the Base/Emergency contact person. It contains important information for the Emergency Response Team.
- **Vehicle Registration:** This information is required by some land owners and is very important if an emergency situation has to be dealt with. Please attach if not enough space.
- **Intended Route:** Entry point refers to where the activity will begin. If the activity is a Base camp then just fill out the details at this point.
- **Grid Reference:** is a set of numbers that give specific location on a topographic map.
- **Map:** the name of the map
- **Exit Point:** Refers to where you plan to end the adventure. If it is a Base camp then you would only need to complete the details in the Entry Point.
- **Intended Escape Route and/or alternate plans:** This is details for the emergency response team. It gives an indication of intended procedures realizing that there may be changes to these plans in the situation.
- **Emergency Communication:** Indicate what communication methods would operate in the activity location.
- **Participants:** This list is again vital for any emergency situation. Knowing the skill level of the group will also govern how quickly the emergency procedure will be dealt with. If the list is greater than the space available, please attach to this document.

The background is a vibrant green field with scattered light green footprints and oval shapes. Two tents are pitched: one in the upper right with an orange canopy and white polka dots, and one in the lower left with a blue canopy and yellow-green spots. Both tents have blue bases and orange interior flaps. The text 'PATHFINDER RESOURCES' is centered in white, bold, sans-serif font.

CURRICULUM

Age of Pathfinders

The GSC starting age for the beginning of the year is 9 years and 9 months. Please note that for AUC and Division pathfinder events such as Camporee, pathfinders must be 10 years of age by the beginning of the activity.

Curriculums

The Pathfinder organisations in Australia and New Zealand have three different types of Pathfinder Curriculums that could be chosen by a Pathfinder club. These curriculums are not the Pathfinder program but they do influence how the Pathfinder club will operate. Each curriculum has the same class names and can receive the appropriate badges when they have completed the requirements of the curriculum for that class.

1. The Card System

This is the original Pathfinder Curriculum method that the Pathfinder organisation began with. The current card requirements were revised in 1980.

The curriculum is made up of six separate sets of requirements that are appropriate for the age group. They are:

Friends	10 Yr old
Companion	11 Yr old
Explorer	12 Yr old
Ranger	13 Yr old
Voyager	14 Yr old
Guide	15 Yr old

Each class covers different aspects of Pathfinding including Spiritual, Outdoor and Recreational skills. Each class includes advanced work that can be completed by the Pathfinder.

This curriculum requires a separate teacher for each class. The card must be signed off as soon as it is completed. The teacher needs to be creative in teaching the class.

Resources

South Pacific Division Staff Manual (provides outline of Honours, Marching, and how to run a Pathfinder Club). This Manual is available from the Adventist Book Centre. You can also access it here: <https://pathfinders.adventistchurch.com/staffmanual/>

CURRICULUM

2. Pathfinder Specialty Program

This Pathfinder Curriculum was developed to provide more outdoor activities, allow the Teens some choices and bring the whole club together in some of their learning experiences.

The Junior Classes (Friends, Companion and Explorer) still have their own separate classes with a set curriculum. The choice is whether to do advance or not.

The Teen classes (Ranger, Voyager and Guide) meet altogether with one teacher. They can have some opportunity to choose their class work within boundaries of the skills of the club leaders. They choose from a range of specialties (bush craft, camp craft, drill, ceremony, first aid, communications, personal development, nature, recreation, wilderness living, craft). They also have to complete a different core unit for each of the years they are in teens.

The options for the Teens are:

- Two Specialties and Core or
- One Specialty, 2 Honours and Core or
- Four Honours & core

The Teen must complete the years choices & will be invested for that class year depending on their age (13=Ranger, 14=Voyager, 15=Guide). The whole club completes the club activities together. Teens also have a choice to do the advanced in each class.

What is required:

The club needs to keep the following records

- The Director Diary – Records what Specialties the club does for each year.
- The Pathfinder Record Book – Kept up to date by the class teacher.

This program saves on staff. Only need 4 teachers. The best way of running the program is that the Teens Choose ONE Specialty & Two Honours. It is easiest if all of the Teens are doing the same specialty (at least) Large groups may be able to have more choices at the one time.

Resources

- South Pacific Pathfinder Staff Manual (Red Book) - Provides outline of Honours, Marching methods and how to run a Pathfinder Club.
- Teacher's Resource Manuals can be found here: <https://pathfinders.advent-istchurch.com/?s=teachers+resource+manuals>

CLASS OUTLINE

3. Way to Go Program

- <https://waytogo.adventistchurch.com/>

This is the latest Pathfinder Curriculum and is based on the concept of activity based learning theory, that the best learning is in the debriefing of the activity that the Pathfinders have just gone through.

The program has its own unique language explaining each of the features but the Pathfinders are still invested for each badge according to their age group.

The program is based on the completion of pursuits that are chosen by the club from a wide selection that is available on a CD. The selection includes CORE pursuits that must be done each year. (See CORE PURSUITS document)

The selection of pursuits is based on a unique balance of Pathways, levels and time. It requires serious planning by the club to create a workable curriculum that meets the needs of Pathfinders as the other Pathfinders. The learning takes place in the process of debriefing and journaling that happens after the activity.

Resources

- South Pacific Pathfinder Staff Manual (Red Book) - Provides outlines of Honours, marching methods and how to run a Pathfinder Club.
- Way to Go Pursuits - <https://waytogo.adventistchurch.com/>
- Way to Go Journals - These are available from the ABC

Things to remember:

This is not a new Pathfinder Club program. It is only the Pathfinder class curriculum.

There are core pursuits that have to be done.

The club chooses the rest of the curriculum according to the formula that the program is based on.

Positive Features

The program works well where leaders put time into developing their club curriculum. It requires less staff. It requires only one teacher for each level.

There is an extensive resource available that is very comprehensive

Pathfinders really enjoy it

Active learning is a great way to learn.

Negatives

Takes more staff time to prepare for each activity and you need to watch time

Have to use each available class time in the club program to meet the requirements.

CORE PURSUITS

2024

PATHFINDER

CORE PURSUITS

It is a requirement that Core Pursuits are completed within each Pathway. Table A1 outlines the “themes” for each Pathway with a corresponding code which is then seen in Table A2 to A5. Tables A2 to A5 outlines the Core Pursuits which should be completed for each Pathway. The codes from Table A1 have been included to highlight the category of the pursuit, as well as recommended durations for each pursuit.

Note that each pursuit needs to be chosen so that each Pathway “theme” is covered within the 2-year period. Also, note that in some cases the duration of the pursuit is over the 2 hour limit. Hence an adjustment can be made by reducing the remaining 6 hours of Pursuit time accordingly.

OK, LETS SIMPLIFY IT!

CORE PURSUITS by YEAR and LEVEL

If you program the core pursuits on a two year round basis you will always cover the core pursuit requirements. And as pathfinders spend two years in each level they will not cover or do the core pursuits twice.

- Eg: 2017 – year one
 2018 – year two
 2019 – year one
 2020 – year two
 2021 – year one
 2022 – year two
 Etc, etc

Don't forget the core honours!

Use the pursuit planner which has the core pursuits and the core honours listed and just add your chosen pursuit to make up the remaining time requirements.

INVESTITURE CHECK

2024

PATHFINDER

Preparing for the Investiture Check

The purpose of an Investiture Check is to provide evidence that your club is ready for the honour of being invested before the local church.

The investiture check is to confirm that the club has completed the requirements and that each Pathfinder can gain recognition of their skills

The check is an opportunity to 'show case' the club

The steps

1. Plan the Years Program and keep to it.
2. Set the date for the investiture with the local church board
3. Talk with your DD and confirm the Investiture Date and time.
4. Set a time for the Investiture Check – make this date as early as possible so that you give “catch up” time if you need it before the Investiture.
5. Make the DD visit a very special time. Introduce the DD to the club. Ask them to take worship or a special feature of the program.
6. Make the check easy by:-
 - a. Making sure that all the cards or paper work has been signed by the right people
 - b. Have the “attendance record” for the club completed
 - c. Have samples of the Pathfinders work available for assessment
 - I. Honours Workbooks
 - II. Class Workbooks
 - III. Pursuit Journals
7. Have the Pathfinders available if the DD would like to have a talk with them.
8. Make sure that the Pathfinders can recite their Memory Gems when asked by the DD.
9. Have your investiture supply form (pg. 83, 84) and your honour supply form (pg. 85, 86) prefilled with the appropriate number of Patches, Honours, Awards that have been successfully invested. Your DD will need to insert their details and signature.

WORKING WITH CHILDREN

Working With Children Check

A Working With Children Check is a requirement for people who work or volunteer in child-related work. It involves a national criminal history check and a review of findings of workplace misconduct.

The result of a Working With Children Check is either a clearance to work with children for five years, or a bar against working with children. Cleared applicants are subject to ongoing monitoring and relevant new records may lead to the clearance being revoked.

The local Church is responsible to make sure that ONLY approved persons can work with children - this includes Adventurers, Pathfinders, Sabbath School, and other child-related ministries. Every church will have a person who is responsible for keeping records of each person's registration number.

Steps to obtain a registration number:

- Be at least 18 years of age
- Type into web search 'https://www.kidsguardian.nsw.gov.au/working-with-children/working-with-children-check'
- Click on the new government site
- Click on the 'start here' box and answer the questions
- You will receive an email from 'working with children' that will include an APP number
- Take this document to your local NSW Motor and Maritime Registry. Take proof of identification with you (such as a drivers license or passport etc.)

The church cannot have any adult working with children, Adventurers, or Pathfinders until they have a WWCC number. This includes parents and family members at campouts.

AdSafe Training

The Seventh Day Adventist Church also requires that ALL volunteers complete their online AdSafe Code of Conduct, and Safer Churches Awareness Training. Please visit the following website: <https://elearning.adsafe.org.au/>

Please create an AdSafe account, then proceed to complete the TWO modules:

Parent or Carer

As a parent/carer of a Pathfinder, I have read the Code of Conduct above and understand that this outlines the expected behaviours for all Pathfinders. I understand that this Code will assist the leaders of the Club in running a safe and incident free program for my child. I further understand that breaches of this Code may affect my child's ongoing participation in a present activity, program, or future event or may result in de-registration from the Club.

SAFETY PLAN GUIDE

Below are steps to help you complete the '**Safety Management Plan**' which is required along with the 'Notification Form'. It is now worth a bonus of 3 points.

Why do it?

- The church administration now expects this form to be completed
- It helps you to identify the possible dangers for the activity
- It means that you can work out a way of making the danger safer
- Means that we are good stewards who care for the Pathfinders and the Pathfinder organisation.

How to do it?

1. Work with a group to complete the form
2. Look at the two examples behind the empty Safety Management Plan template
3. On the blank safety management plan template, fill in the details regarding the context of the activity
4. Consider the major dangers that may be present, at the activity location.
5. List all identified risks
6. Work out a control strategy (like wear a life jacket if canoeing) to reduce risk.
7. Included whatever special guidelines are relevant to your activity.
8. Pray about it.
9. Identify who or which group of people are responsible for putting the risk controls in place. Share it with your team. Choose people/teams that are responsible in keeping the adventure safe.
10. Outline your emergency procedure and emergency evacuation for your activity.
THIS IS EXTREMELY IMPORTANT!
11. Make a decision as to whether this activity's risk is manageable.
12. Send a form with your Notification Form. Share it with your staff.
13. Learn from experience, add other risks or delete some for next time.
14. Always remember that in the outdoors, the risk can come from anywhere. **BE PREPARED!**

Completing the Pathfinder Leadership Award includes complete instructions on how to fill this form out.

This document outlines the best practice and anticipated response to any danger, emergency or accident for this activity. This document will be given to every staff member involved and its contents will be shared with the participants involved in the activity. We also acknowledge that if such an anticipated event happens, due to the difference between the real and the anticipated, there may be some other safe and responsible response that may be taken outside of what has been recorded here. This Safety Management Plan reflects the best response based upon the experience that we have had or industry procedure that is currently available. This will be the first procedure method considered in managing the danger.

Risk in the outdoors generally, but not always, come from three main sources. These are problems that PEOPLE bring to the activity, the EQUIPMENT being used in the activity and The ENVIRONMENT where the activity is taking place

THIRLMERE

Thirlmere is a Wilderness Property located 95km south-west of Sydney. The property consists of 5 acres of scenic forest nestled in the beautiful Thirlmere Lakes National Park.

This is an ideal location for Pathfinder or youth group campouts and offers many great activities for campers to enjoy.

The following guidelines are designed to assist you in keeping the facility in pristine condition and enjoying your stay there.

Camp Sites

There are 2 camp sites operating at the moment:

- 1. Casusrina
- 2. Waratah

Camp in your allocated camping area.

Campfires

Fires may only be lit in the fireplaces provided. In the event of State or Shire fire bans no fires are allowed. Make sure that your fire is extinguished before you leave the camp site. Be sure to leave the hot plate clean, with no aluminium foil in the ash. Wood for the fire may be gathered from the forest floor. Do not cut green trees or disfigure trees in any way.

Drinking Water

Please bring your own drinking water as there is no safe drinking water on site.

Care of the Environment

All flora and fauna is protected. Take nothing but photographs and leave nothing but footprints. Our wilderness environment training area is surrounded by World Heritage National Park. The south-western border is a water catchment area. Extreme care must be taken to protect our drinking water. Do not use the water in the creeks for bathing or washing dishes. No pets are allowed on the site.

Temporary outdoor toilets are currently available. However, if digging a hole to be used as a bush toilet, note that toilets must be at least 200m from the creeks. Individual campers must use a trowel to bury waste.

All rubbish must be taken home with you!
There are no exceptions.

Security

It is important to keep the gate locked at all times while you are camping on the site.

Activities

Activities in the area include:

- Walking along fire trails and W E Middleton Drive
- Climbing up to Australia rock and cave
- Abseiling
- Nature walks up the small creek and through the fern glades to the fire trail
- Canoeing on Thirlmere Lakes

Worship

We encourage groups to use our special Camp Fire Bowl for worships.

There are numerous beautiful natural areas where you can plan to have worships and nature activities.

TIN FOOD DRIVE GUIDE

This is when a club decides to organize a time in the local community when they will collect tinned and dried foods for families in need. The collected items are shared with two organisations that people turn to when in need. They are either the Blacktown ADRA or Wesley Mission.

This is an excellent community activity that:

- Gives members of the community an opportunity to contribute in a program that helps people in need. Most people in Australia are more than happy to help a worthy cause.
- Provides a positive image of the local Pathfinder Club, the Pathfinder organization and the local Seventh Day Adventist Church. The wearing of the full Pathfinder uniform makes a real impact when the collection takes place.
- It is an activity that gives the Pathfinders a positive feeling about connecting with their local community. To see the willingness of people to give is a positive thing for everyone involved.
- The ADRA Blacktown and Wesley Mission both really appreciate the donations of tinned food and packages of dried food. Both of these respected organisations have many families who are helped in difficult situations with food to care for their families.
- It also counts towards your clubs 200 Award points.

How do you set up a Pathfinder Tinned Food Drive?

- Put the event in the Clubs year calendar. It can be done at any time of the year. Both of the organisations are always looking for tin food or dry food supplies for needy families.
- Check with your District Director as to when other clubs are planning their collections. Try and space out the collection time so that the shelves can be receiving food donations throughout the year.
- You will need two dates:
 1. First one for letting the community know what you are doing and when you are planning on picking it up.
 2. Second is the actual pick up.
- Have the dates approved (along with the rest of your Pathfinder Dates) by the Church Board. (Then the event is covered by the churches insurance as an approved church event)
- Print the "Food Collection Notice"
- Print the "Tin Food Badge"
- Identify the area of collection
- Organise the teams to complete letterboxing the "Food Collection Notice"
- Contact the volunteer organisations below
- On collection day
 1. Wear full Pathfinder uniform
 2. Have the "Tin Food Collection" tag to identify you
 3. Take a carry bag to collect the food tins
 4. Wear a big smile and be ready to say lots of thank yous
 5. Take a photo of the group and the collection to put in the local church paper or send it through to the Conference Communication Department
 6. Follow the procedure to deliver the collection to the organization.

Organisations

ADRA Blacktown: They do a wonderful ministry in the midst of Blacktown. They operate a food bank. To make donations:

- Deliver the food in plastic bags
- Come prepared to help carry the food up 3 flights of stairs
