

URBAN EXPEDITION
'THE JOURNEY'

NOVEMBER 19-21, 2021

PRE-LOG

WHAT TO EXPECT

This year's Expedition is unlike any we have done before. Due to the unpredictable nature of the COVID-19 pandemic and the current lockdown in NSW, the 2021 Pathfinder Expedition will take the form of an online and local club event. This means that there will be online worship programs for you to participate in, as well as physical requirements that you must complete over the course of the weekend. You must record and complete all of your requirements in the Log Book (obtained upon registering), and show this to your Club Leader before you are eligible to receive your Expedition patch..

The Urban Expedition is unique in that it can be undertaken in your local area. The hiking component of the Expedition can be completed in your neighbourhood or local park and/or nature reserve.

Our spiritual focus for Expedition will be an exploration of the missionary journeys of Apostle Paul. As we go on our own journey over the weekend, we will reflect on the challenges and successes that Paul faced on his.

PROGRAM

Friday, November 19	
6.30pm	Opening Session / Pathfinder Rally
Saturday, November 20	
9.00am	Morning Worship Cultural Diversity Honour (optional) Geocaching Honour (optional) Complete Hike Local Club Worship
Sunday, November 21	
4.00pm	Closing Session / End of Expedition

REQUIREMENTS

You will be expected to:

1. Complete a 10km walk.
2. Identify your chosen route on a map.
3. Take a bearing with a compass.
4. Take photographs of 5 plants and 5 animals on your walk and identify them.
5. Set up a tent or make-shift shelter and spend at least one night sleeping in it.
6. Outline your weekend camp menu.
7. Participate in an online or in-person club worship.
8. Write up daily journal entries of your experience over the weekend.

COMPETITION

We know that Pathfinders love a bit of healthy competition. So, to make the Urban Expedition a bit more interesting, there will be a prize for the club that clocks up the most amount of steps over the month of November. To make sure every club has a fair chance to win, we will be dividing the score with the number of Pathfinders in the club to get the average.

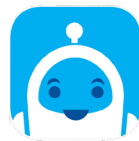

COMPETITION DETAILS:

Date: The competition will begin on November 7th and finish on November 21st. The winning team will be announced after this date.

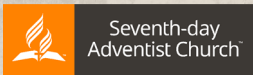

How to enter:

1. Download the 'Count.it' app
2. Join the 'Greater Sydney Pathfinders' group
3. Create or join a team
4. Start exercising!
